lower level has similar sweeping views as the living area above.

Designed for the Moonah Links lifestyle, the outdoor living is as central to the design as the inside. The alfresco dining/entertaining area with built in BBQ is perfect to enjoy long lunches and sunset cocktails, the spa pool deck for relaxation, and a private terraced garden for outdoor dining for a BBQ to be closer to the action on the fairway.

The house is nestled into approximately 867 sq m block with easy care gardens and screening and hedging for privacy.

Other features include:

Interiors with high ceilings; hydronic heating, gas fire place and reverse cycle heating and cooling plus a 6.6kw solar system with a four battery storage system; ceiling fan; polished timber floors in living areas and carpeted bedrooms; the house is set within a gated residential area of Moonah Links with community tennis court, parkland and BBQ facilities for residents of the street.

This tranquil golf course/greenspace setting is deceiving as just minutes away are beaches, busy coastal villages, shopping and wineries, the Hot Springs down the road and the Clubhouse with two championship golf courses, restaurant, bar and golf pro shop within walking distance.
